- Take a peek at [FlexForce](#), a ground-breaking flexible service offering
- Use this quick primer on [Cybersecurity areas](#) required in legal documents
- Meet [Doug Picirillo](#), a DivIHNite, in "Getting Personal"

5 Pitfalls in M&A IT Integration

Technology accounts for over 40% of new value generation in many M&A deals. Effective Technology Integration can be a great value generator in mergers. Getting the IT leaders involved in the process early in the deal cycle is a wise measure that can help avoid these pitfalls.
